In addition, SEB Corporate Finance has held discussions with certain members of the Board of Tikkurila and senior members of the management of Tikkurila concerning the businesses, operations, financial position and prospects of Tikkurila; compared certain financial and stock exchange related information regarding Tikkurila with similar information for certain other companies that SEB Corporate Finance considered relevant; reviewed the share price development and trading activity in the Tikkurila shares on Nasdaq Helsinki; and performed such other analyses and studies as SEB Corporate Finance has deemed appropriate as a basis for this opinion.

SEB Corporate Finance has relied, without independent verification, upon the accuracy in all material aspects of all of the financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with SEB Corporate Finance and upon the assumption that no information of material importance to the evaluation of Tikkurila future earnings capacity or for SEB Corporate Finance’s assessment in general has been omitted.

With respect to financial forecasts and other information and data provided to or otherwise reviewed by or discussed with SEB Corporate Finance by the management of Tikkurila, SEB Corporate Finance has been advised and assumed with your consent, that such financial forecasts and other information and data (including extrapolations thereto) were reasonably prepared on bases reflecting the best currently available estimates and judgments of the management of Tikkurila as to the future financial performance of Tikkurila and the other matters covered thereby. SEB Corporate Finance has not conducted any due diligence in order to verify the accuracy of the received or reviewed information, and has not made any independent evaluation or assessment of the assets and liabilities (contingent, off-balance sheet or otherwise) of Tikkurila or any other entity, nor has SEB Corporate Finance been furnished with any such evaluation or assessment or made any physical inspection of the properties or assets of Tikkurila or any other entity. SEB Corporate Finance is not expressing any opinion with respect to accounting, tax, regulatory, legal or similar matters and it has relied upon the assessments of representatives of Tikkurila as to such matters.

This opinion does not address any terms (other than the Offer Consideration to the extent expressly specified herein) or other aspects or implications of the Offer, including, without limitation, the form or structure of the Offer. SEB Corporate Finance's assignment does not include expressing an opinion on the relative merits of the Offer as compared to any alternative business strategies that might exist for Tikkurila, including whether any other transaction would potentially be more favourable for the shareholders of Tikkurila, or the effect of any other transaction in which Tikkurila might engage. SEB Corporate Finance also expresses no view as to, and this opinion does not address, the fairness (financial or otherwise) of the amount or nature or any other aspect of any compensation to any officers, directors or employees of any parties to the Offer, or any class of such persons, relative to the Offer Consideration to be paid to the shareholders of Tikkurila or otherwise.

SEB Corporate Finance's opinion is based upon current market, economic, financial and other conditions as in effect on, and upon the information made available as of the date hereof. Any change in such conditions or information may require a revaluation of this opinion. Although subsequent developments may affect this opinion, SEB Corporate Finance assumes no obligation to update, revise or reaffirm this opinion. This opinion does not include any assessment as to the actual value of the prices at which Tikkurila shares or any other securities will trade or otherwise will be transferable at any time, including following announcement or consummation of the Offer.
